HB-261028-I · INFUSED HONEY

Honey, with a little more

A bulk infusion, bottled as one traceable batch.

Ingredients used

Honey from the sources below, infused with:

- Vanilla — used for infusion, then removed.

Shea Grove · Grace

Source area	**Gulu area**
Collected on	**27 Oct 2026**
Harvest timing	**20–25 Oct 2026 · approximate**
Forage	**Shea trees**

Grace tends hives among shea trees.

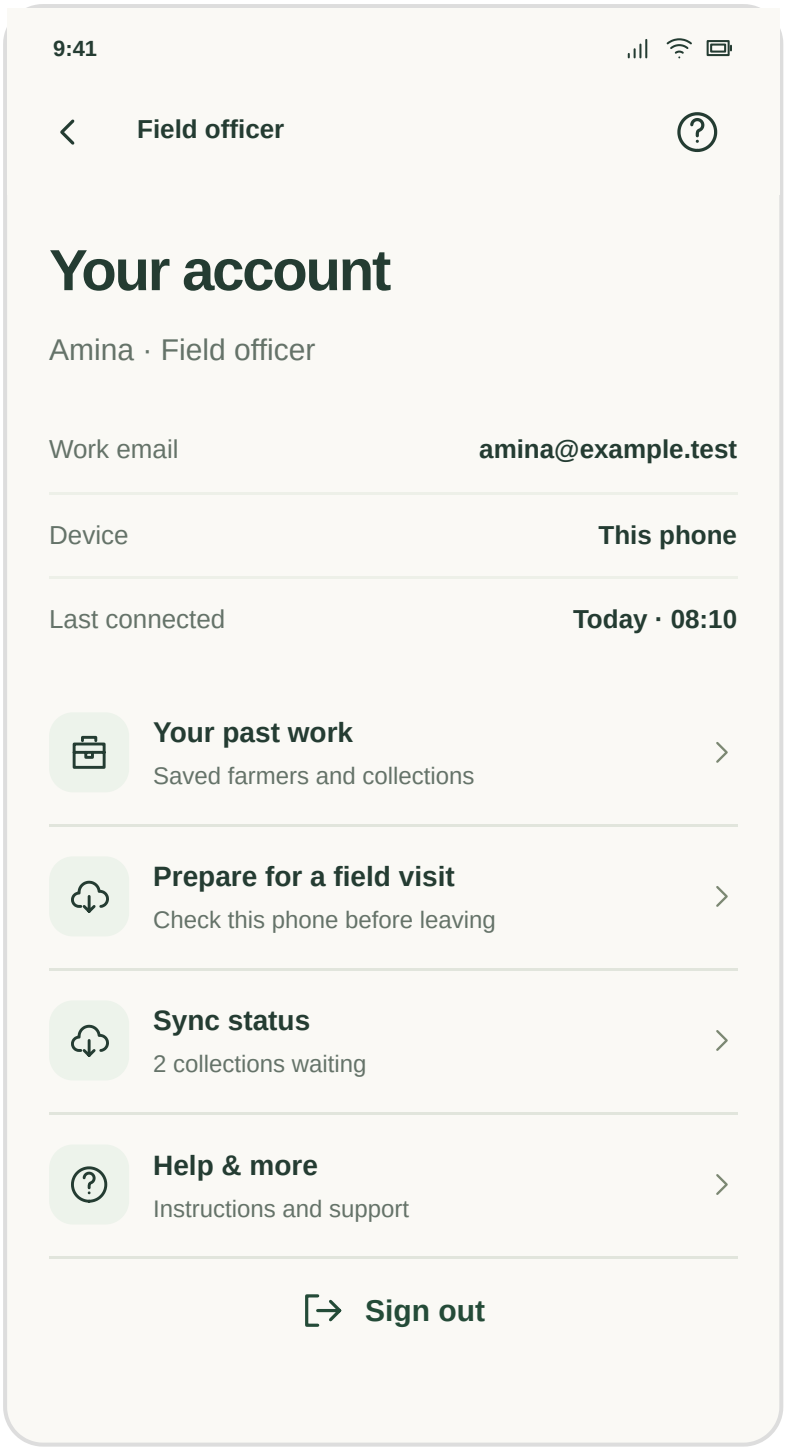

River apiary · Rose

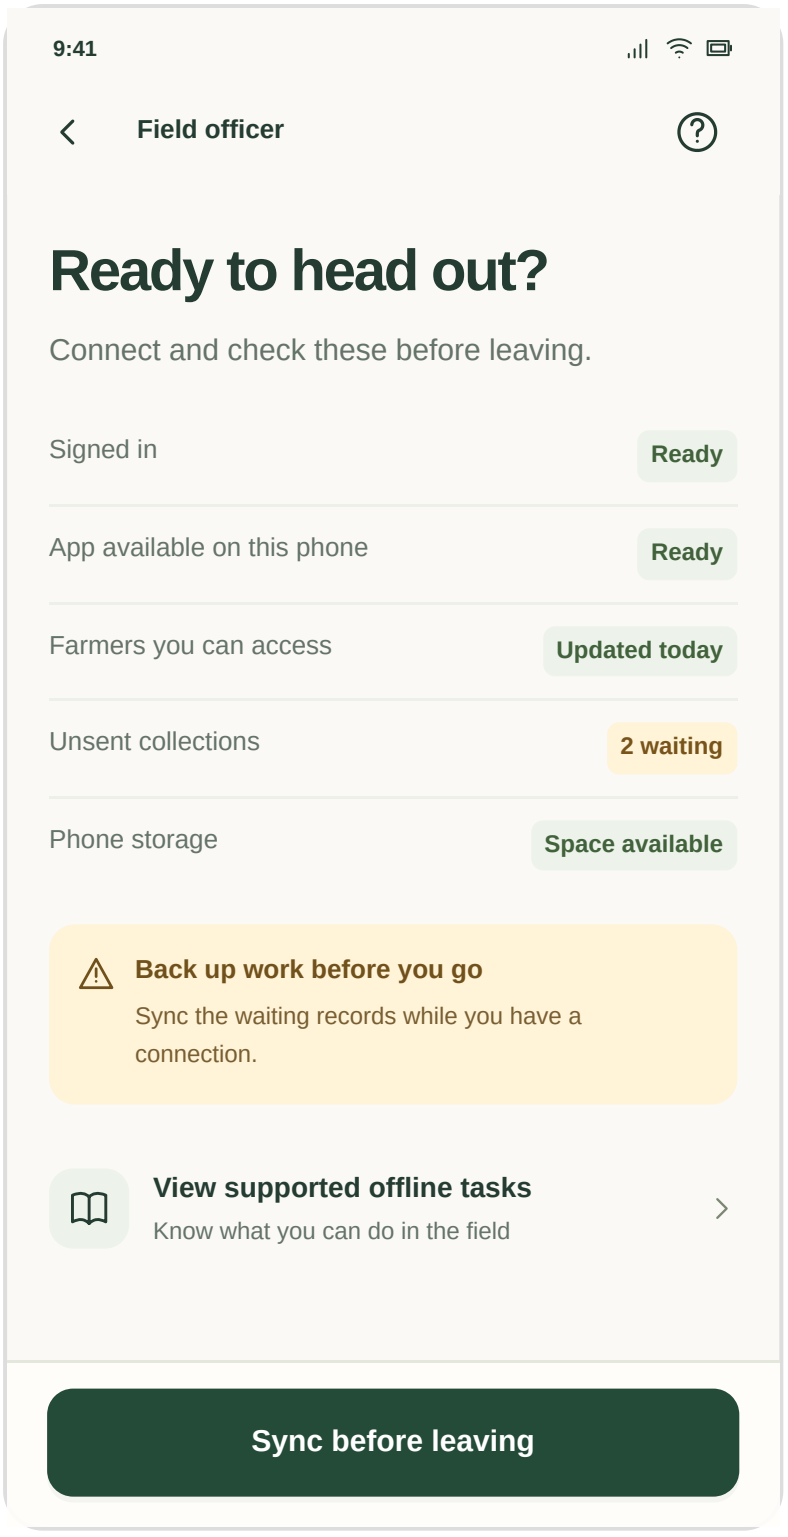

Source area	**Northern Uganda**
Collected on	**26 Oct 2026**
Harvest timing	**Not recorded**
Forage	**Coffee and wild flowers**

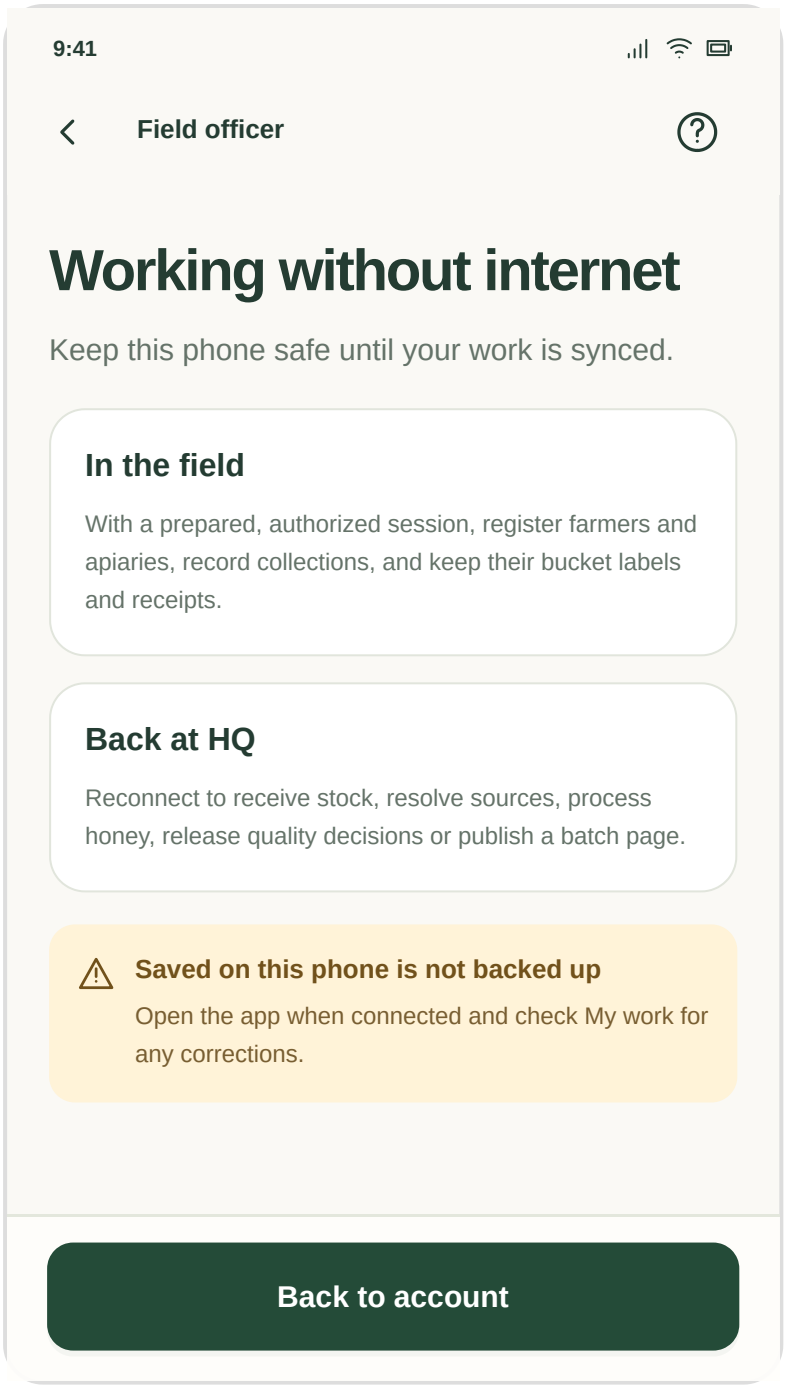

Rose tends hives near coffee and seasonal flowers.

Bottled on 2026-11-25. The code identifies the batch shared by these jars.
